TEXTO INGLES

The waves lapped gently against the side of the boat, as **a** (an) young boy and his faithful dog arrived at the shore of **an** small, deserted island.It was **a** (an) island so small, that the boy could see right over to the other side from where he sat.

Jumping out of the boat into the shallow water, his foot landed on **an** (a) sharp shell.

"Ouch!" he yelped, startling his dog, who was sleeping on **a** (an) enormous blanket at one end of the boat.

Stretching to wake himself up, the dog looked at the boy sleepily, before jumping into the clear, blue, sea.

They paddled to the shore and looked around at the island. In the centre was **an** (a) huge palm tree as high as **a** ten storey building and surrounding it was **an** (a) collection of every type of fruit tree imaginable.

Hungry from their journey across the sea, the boy began to ravenously eat the diferente fruits on offer.

He started with **a** (an) apple, **a** banana, **a** (an) orange and **a** whole bunch of juicy grapes, while his dog looked on, **an** (a) look of jealousy on his face.
